You are not Guilty
Why should I Point you ??

Why I am Still making you Exhausted??
Dont know why this heart Miss You

May World of Heaven...Smiles of Innocence
Enchant.and...Delight you Forever

May you see the Blessings of Heaven
here and here after :)

May Your dreams to reach the heights
Come True :)

I Can only remember you in Prayers
Allow me to Do that :)

I Will not Demand. and Request anything more from you :)

May be in the Garden of Heaven One day
We Will Meet :) Infront of Allah Subhana tala
as the Best of the best Creation and Ummah
InShAllah Tala

I Am Sorry to say but I Can not Allow Except you
anyone else to enter in this Heart it can not afford it

But I am not asking anything from you
You are Free
I donot Deserve love...nor I hv Wish for it
forever again I am Happy wht i am..and i am satisfied

May Allah Bless You
