
Religious Persecution In Pakistan

Posted by Maria L Weiss - 2008/01/03 11:31

U am a Christian and writing in concern of the religious persecution in Pakistan. Article 18 of The Universal Declaration of Human Rights states; "Everyone has the right to freedom of thought, conscience and religion".

A Muslim in Pakistan cannot convert to faith in Jesus Christ without strong opposition. Religious ministries are often targeted by extremist groups.

Those who commit acts of violence must be prosecuted and people of all faiths protected.
