Dr.Saad Ullah Khan Kaleem was a great poet & wonderful human being.I remember he dictates all of his students & visitors in between class times,bari muhabbat se milte ....sab ki islah farmate.woh dheeme lehje k insaan thy laikin shaeri mein bari uthaan k malik thy.

He was purly a self made person.unfortunately I do not have any of his kalam with me but my friend Khizer working a lot on this project.

I being an ex student of Attock college hereby offer all Attockonios to search on Kaleem Sb & provide any of his poetry which would be a great effort
