
Fateh Jang part of Islamabad?

Posted by Ali Hassan - 2007/08/07 02:56

With the government's decision to construct the new Islamabad International Airport near Fateh Jang will the area around the airport will form part of the capital.? :ohmy:

Obviously, the area was likely to form part of the Capital. The people of Fateh Jang and surrounding area have welcomed the government's decision and they are optimistic that with the construction of the airport their economic condition will also improve a lot.

It may be added that the International airport at Chaklala is called as Islamabad airport and is under the control of the CDA. So I guess Fatehjang will become part of Islamabad. ;)

yes it must be a good project for fateh jang peoples and i hope it can solve various problems of peoples like water ,roads and jobs and others.
but it is possible to give the suitable quota to fateh jang peoples for jobs
