Poem

Mothers are wonderful

Allah made their smiles of the sunshine,

Moulded their heart of pure gold;

In their eyes Allah placed bright

shining stars, and fair roses

you will see in their cheeks

Mothers are more than

the billion things given to you

MOTHERS

Mothers are the most precious gems on all the seashores of this world
The most kind being on this earth carrying the softest..... heart
One of the heartiest blessings of Allah Almighty
In your happiness are they happy, in your sorrow are they sad..!
'i love you my mom' that s what i ve never said to her n i wanna say
May you live very.....long(aameen)
