So to answer your question, to me, YES Islam is a peaceful religion because it is my way of life with total submission to Allah and the true Islam is Peace. Anyone with brains should know by now to never form an opinion from what you read or hear but to see for yourself. Have some Muslim friends and you'll see how good and peaceful they are.

Objection to the word Total Submission

hmm...total submission....you know we never get total submitted to Allah subhana tala sometimes somewhere we do reject few of the decisions which are made by our fate we start blaming.....obviously to Allah sometimes....so how it is a total submission I am talking about my own self

But believe me those who have total submission to their Lord they spend a peaceful
