
PITY TO THIS LAND ATTOCK

Posted by Shaheen Sultan - 2007/08/18 03:43

I want to quit this land,
Where I cannot give my hand.
To people round about,
Are selfish and are of doubt.

No aim, no goal, no ball,
Not adjusted I'm at all
All lies, all false and wrongs,
Bad tunes with dirty songs.

They are used of telling lies,
All different in their size.
Never punctual in their time,
No mind to learn the rhyme.

Keep difference in their opinions,
If some are very lenient.
They drink the poor 's blood,
Your labor result in mud.

Show love when the hug,
On back like poisonous bug.
They don't feel it shame,
Back-biting favorite game.

Diplomacy in their creed,
Adulterated every feed,
I cannot take my sign,
Of mosquito's, illiterates and flies.

I weep, I cry to deal,
Pain, distress all I feel.
How can I trust their words?
They act like lousy birds.

Not a pity, not a wrong word:(
It is my pleasant place Attock

My Identity, my name, my feelings
are attached with it:cheer:
If there is no Attock, there be no me

No one is selfish, no one is mean:silly:

Life is reflection of our own thought
if we are good, things always get good:lol:

if not then leave to Allah Subhana tala
he always do best :-)
For his Crown of Creation
:woohoo:

Assallam o Alaikum to All group members

Jahan tak mera zati khayal hai kisi ek ki be wafai karne se hm sab ko qasoor war ya be wafa nahi thehra sakte na aisa
kehna chahiye.

aisa kehne se pata nahi aap kitne logon k dil dukha rahe hon
who knows?

Mai Khud Chachh ka rehne wala hoon
aur Attock city ki larki ne mere sath b cheat kia hai.
par is ka ye matlab nahi sara Attock cheater ya disloyal hai.

Achhe burre/ wafadar be wafa/ log har jaga har rang har mazhab aur har nasal mai hotte hain.
earth par un ki koi khas specific jaga nahi.

Sorry agar meri koi b baat ksi ko buri lagi ho.

Wassallam. B)
