Muskan

River Indus and a fairy Dream

What happens once I crossed the River Indus

I reached the Beautiful Land of Attock

I heard the fairy Song

Walking on the Golden Sand

At the bottom of my Dream

i reached near attock fort

I started flying across the

Kala Chitta Hills

That was the place who gave me

my first name

I touched the he gentle air

and run in the green valley

I touched the rainbow

and drank the pure water

of my River attock

If refreshes me...

that was my wonder land....

me ,fairy,fort,fresh indus water,

and my beloved, beautiful land

my Home Attock

Nothing is like my Sweet Home
